

January 2024

Welcome to the inaugural edition of the B2 Newsletter for 2024! As we step into a new chapter filled with endless possibilities and opportunities, we are delighted to kickstart our newsletter with a fresh wave of enthusiasm. This edition marks the beginning of a year filled with innovation, growth, and collaborative success. Get ready to dive into exciting updates, inspiring stories, and valuable insights that will set the tone for a year of achievement and connection.

Thank you for being an integral part of the B2 family, and here's to a fantastic journey ahead!

Payment Software Solutions

Discover our industry leading payment software development solutions that will help elevate your payment processing capabilities to the next level.

For more than 20 years, we've taken immense pride in delivering high quality, customer-centric solutions. Primarily focused on Android-based POS terminal applications, our skilled team delivers customized payment software solutions through a commitment to understanding your unique needs and by providing unparalleled support throughout your journey.

From the initial consultation to post-implementation support, our technical expertise and customer service ethic ensures that you receive an exceptional solution.

Open Training

We are thrilled to announce an upcoming Expert EMV & Contactless Payment Open Training Session scheduled to take place from April 16 to April 18, 2024, at the B2 Head Office in Mississauga, ON Canada. This dynamic training opportunity is designed to equip you with the latest knowledge and skills in the rapidly evolving landscape of EMV and contactless technology.

Led by Itai Sela, this session promises to be an immersive experience, fostering a deeper understanding of the intricacies and advancements within the payment ecosystem. Whether you're a seasoned professional or new to the field, join us in embracing innovation and staying ahead of the curve. Save the dates, and let's come together for an enriching learning experience that will undoubtedly contribute to our collective success.

Register by March 15th, 2024 to secure your early bird rate of \$1800 USD using discount code earlybird2024 at checkout.

Website Updates

We are happy to announce updates to our order status feature on the My Account portal, aimed at enhancing your overall shopping experience.

With these improvements, you can now access more detailed information about each order, allowing you to track its progress with greater clarity. We believe that transparency is key to a seamless customer experience, and these updates align with our commitment to providing you with the best service possible. We encourage you to explore the enhanced order status section and stay tuned for further updates, as we are continuously refining our processes to better serve your needs.
